The screenshot shows a mobile app interface. At the top, the status bar displays "vodafone IT", signal strength, Wi-Fi, time "08:40", and battery "85%". Below the status bar is a red navigation bar with a white hamburger menu icon and a back arrow followed by the text "Über Digital Service Assistant". The main content area has a blue heading "Video-Einführung" above a video player. The video player shows a smartphone displaying the "Digital Service Assistant" app with a play button in the center. Below the video player is a paragraph of German text. At the bottom of the app interface are three icons: a question mark in a circle labeled "Howto DSA", a gear icon labeled "App-Einstellungen", and a puzzle piece icon labeled "Open Source Lizenzen".

Über Digital Service Assistant

### Video-Einführung

Unser Digital Service Assistant steht Ihnen rund um die Uhr direkt auf Ihrem Mobile Device zur Verfügung. So können Sie jederzeit auf unser gesamtes Service-Portfolio zugreifen und schnelle Hilfe im Servicefall erhalten. Nutzen Sie unsere Services, wie Hotline, Ersatzteile und Reparaturen, per Smartphone direkt im Produktionsumfeld. Die App bietet eine hohe Usability und einfache Identifizierung der eingesetzten Komponenten. Eine Abfrage von Statusinformationen der Maschine, ermöglicht

Howto DSA   App-Einstellungen   Open Source Lizenzen
